Draw:

Athletes who won (*Gold - Silver - Bronze Medals*) in each weight category at the last **Judo World Championships in Rotterdam in 2009** the **Beijing Olympic Games in 2008**, **Continental Championships in 2010**, will be seeded on the contest table to avoid competing with each other before the final in Tab A and Tab B.

In the case that athletes who won medals at the last World Championship, Olympic Games and Continental Championships are not present, we will follow the same criterion as above by selecting the athletes of each category who won Medals at TRE TORRI 2009 or athletes of renowned worth or who are retained of importance by virtue of their personal International and/or National sporting history.

System of competition:

Knock-out competition with Double Repêchage. Athletes of all weight categories will be divided into two tables, Tab A1 - A2 and Tab. B1- B2, by a draw. The system of elimination will produce two finalists.

All athletes who are defeated by the group of winners of Tab. A1 - A2 - B1- B2 will take part in the repêchage of their respective "Pools" as provided by the elimination system of the double repêchage.

The final match for third place (*Bronze Medal*) will be between the athlete loser of the semi final, belonging to Tab. A1- A2 and the loser of the semi-final, belonging to Tab. B1 - B2.

The two athletes who lose the fight will be placed fifth. The athletes who lose the final of the repêchage are out of the contest. They will be placed seventh.

Referees:

La FIJLKAM - Italian Judo Federation - and/or the Organizing Committee will appoint International A and/or B Category Referees.

The Organizing Committee will invite International A and/or B Category Referees, which come with some foreign delegations, for an appropriate number (*Twelve Referees*) for two days of competition with two "Tatami" and 400 athletes.

Refereeing:

The competition provides for the application of refereeing rules without the "Koka", the only elements of evaluation are: "Yuko - Waza ari - Ippon", "Osae-komi", are 15" = Yuko / 20" = Waza ari / 25" = Ippon - whenever the fight is drawn, the "Golden Score" is used for 3 minutes, where there is no significant advantage on the table the ruling of the referee will be given with small hand-flags and will take account of both how much has taken place during regular fight time and during the "Golden Score" time.

PENALTIES: The first "Shido" is not marked on the points table, the second "Shido 2" gives the opponent a "Yuko", the third "Shido 3" gives a "Waza ari", the fourth an "Ippon", the penalty "Shido 4" means a victory by "HANSOKUMAKE" over the opponent.

REFEREE: In each fight, a referee and two linesmen are chosen who are, obligatorily, of differing nationality to the competing players.

APPEAL: In no case or circumstance may the athletes and/or their representatives have recourse to the Refereeing Committee. No appeal and/or protest against the decision of the referee will be accepted.
